Clara Compass — traction, November 2026

AI investment agent for fund managers · live since January 2026 · built by one founder with AI coding agents

WHAT'S LIVE

1,169 companies	**202,045** filings read	**36,452** earnings calls read	**58,787** verified facts, each with its source
1,420 deep dives	**~30** Desk screens	**~130** scheduled jobs	**3,045** commits in 10 months

COVERAGE

S&P 500 plus a curated set of Hong Kong, Japan, Korea and Taiwan names; EDGAR polled every 10 minutes; 20+ other sources, chosen for what they signal — ownership and governance (13F holders, insider trades, court records), innovation (patents), healthcare regulation (FDA and CMS decisions, clinical trials), the semiconductor supply chain (Korean and Taiwanese export data), China consumer demand (Macau), and what executives say off-script (podcasts).

USAGE

- The founder runs her own portfolio on it every day.
- No revenue yet; not yet selling. First customers: funds and family offices, per seat.
